Thanks! Since we are working collaboratively with ntp on the formulations genetox work, I don't think we can use John bucher

Anna,  
The CSS'ers suggested the following:

- - 
  - 
  - 
  - 
  - 
  - 
  - 
  -
- # Citizen Name / Ex. 6
- There was also a suggestion to draw on the IARC glyphosate panel members listed here:  
<http://monographs.iarc.fr/ENG/Monographs/vol112/vol112-participants.pdf>

If other thoughts come to mind, I will send them your way.

**Subject:** Any suggestions for SAP members?

Hey Tina & Lynn.

We are working on the administrative paperwork for the SAP this week—and part of this is a list of suggested panel members. We were wondering if y'all have any suggestions for panelists for the G meeting---expertise in interpreting animal cancer bioassays, genetox, and cancer/occupational epidemiology.

Thanks  
Anna
